AGENDA

1. Call to Order

a) Conditional Use: Parcel S6565-00-00C01-0 Bright Haven Child Care Center (2409-0055):

The applicant is proposing to operate a private day care facility in an existing commercial space with an outdoor play area on adjacent parcels at 890 SE Bayshore Drive and 861 SE Pioneer Way respectively.

b) Conditional Use: Parcel S6575-01-0000B-1 (31650 SR 20) Connection Christian Center (2410-0060):

The applicant is proposing to use an existing commercial building space as a church.

2. Adjourn

Exhibit 1
Bright Haven Child Care Center
Conditional Use Permit
Case No. 2409-0055
Staff Report to Hearing Examiner

APPLICATION:

Applicant requests a Conditional Use permit for the use of an existing commercial space and adjacent outdoor play area for a child day care facility. Both the indoor classroom space and the outdoor play area are located on parcels within the CBD zone district, where a child day care requires a Conditional Use permit, per OHMC Section 19.20.1050.

PRELIMINARY INFORMATION:

Applicant: Glaiza Price, 2425 SE Navigator Loop, Oak Harbor, WA 98277

Property Owner: William and Heidi McKnight, 17533 Clover Road, Bothell, WA 98012

Address of proposal: 890 SE Bayshore Drive, Suite 2 (indoor space), 888 SE Bayshore Drive (outdoor play area), Oak Harbor, WA 98277

Parcel Number(s): S8180-00-00030-0 (indoor space), S6565-00-00C01-0 (outdoor play area)

Comprehensive Plan Designation: Central Business District

Zoning Designation: CBD, Central Business District

Application Presented for Action:

Conditional Use Application - Review Process III

Attachments:

Exhibit 2 Application materials

Exhibit 4 Public Noticing Documents
Exhibit 5 Public comment

SITE GEOGRAPHY

The project site consists of existing commercial development within the downtown core. The proposed indoor space is located in the lower level of a multi-unit commercial building with access from the south side of the property off SE Bayshore Drive. The outdoor play area is across a public walkway adjacent to a nearby building. The zoning of the parcels is CBD, Central Business District. Land uses abutting the site include the following:

	Existing Land Use	Zoning
North:	Retail and office commercial	CBD
South:	Office and Condo mixed use	CBD
East:	Retail and office commercial	CBD
West:	Retail and office commercial	CBD

BACKGROUND and PROJECT DESCRIPTION:

The proposed facility consists of an approximately 1700-square foot indoor space located on the ground floor of an existing commercial building adjacent to a private parking lot, a public walkway and other similar commercial mixed-use buildings. A proposed 1250-square foot outdoor play area is adjacent to the commercial building across the pedestrian walkway. The travel path between the indoor and outdoor spaces is approximately 30 feet and does not cross any traffic lanes or parking spaces.

As noted on the application, the capacity of the proposed center is 13 children, which requires the outdoor space to be the minimum size of 1250 square feet, based on the 1000 square foot minimum for 8 children, plus 50 square feet for each additional child. This standard is above the requirement set forth by the State of Washington and staff is currently working on a code amendment to bring the Oak Harbor Municipal Code into line with state requirements.

Similarly, since the capacity of a child day-care is already outlined by OHMC 19.08.676 as well as WAC 110-300-0354, staff believes it is not necessary to continue to stipulate maximum capacity via the Conditional Use process, but rather by utilizing the various standards found in State Law, Building Code and any other pertinent regulations.

Conditional Use Permit Application

The subject parcel is currently zoned CBD. The site's proposed use as a child day care is listed under OHMC 19.20.1050 as a "Conditional Use."

Following OHMC 18.20.250(2)(b), the review of applications for conditional uses are Review Process III actions. Such actions are subject to an open record public hearing before the Oak Harbor Hearing Examiner, concluded with a final decision by the Examiner.

Conditional Use Review

According to OHMC 19.67.030, "*No conditional use shall be granted unless it meets the following criteria:*"

- (1) All special conditions for the particular use are met;*

Per OHMC 19.08.676, "private nursery school, child day care center or kindergarten" means an establishment for the care and education of children in connection with an outdoor play area having a minimum area of 1,000 square feet plus an additional 50 square feet for each child in excess of eight.

The applicant is seeking the approval of a Conditional Use permit to allow for a capacity of 13 children, which would therefore require an outdoor play area of 1250 square feet. The proposed outdoor play area can accommodate that number based on the formula above per the application materials (Exhibit 2), satisfying the requirement for the requested capacity. Day care use requirements pursuant to the building capacity are regulated by the Washington State Department of Youth, Children, and Families according to WAC 110-300-0354.

- (2) It does not have a significant, adverse environmental impact resulting in excessive noise, light and glare or soil erosion on adjacent property;*

There will be very little in the way of physical changes to the site. The existing urban

neighborhood will accommodate the proposed use with no undue impacts to the environment. Any dirt work on the outdoor play area will be minor. The use will be required to comply with all applicable standards of the OHMC.

(3) It is provided with adequate parking;

The use will be required to comply with the standards of OHMC 19.44. Per the minimum standards listed in OHMC 19.44.100, a day care center is not listed with a specific number of parking spaces, therefore the applicant is required to provide a parking plan to show the number of spaces needed and a drop off plan for parents.

The applicant has proposed a staggered drop off schedule to reduce congestion in the adjacent shared parking area. The nature of the location in a downtown urban area creates opportunities for alternative drop off locations as well – for instance, ample street parking exists on both SE Pioneer Way and SE Bayshore Drive. Parents dropping children off at the location should be encouraged to utilize those options as well.

(4) It is served with adequate public streets, public utilities and facilities;

Public utilities are available to serve the site and vehicular access is provided from SE Bayshore Drive.

(5) It otherwise meets the purpose of the district in which it is to be placed;

The designated purpose of the CBD district is to create and foster a traditional center of social, cultural and retail activity. Standards and design guidelines are adopted to enhance and maintain a pedestrian-friendly environment.

The proposed conditional use is compatible with other uses in the area, including a variety of commercial retail and office uses and residential uses. There are a number of routes to the location that will help disperse traffic and should not adversely impact adjacent properties with conformity to the OHMC.

(6) It meets the goals and policies of the Oak Harbor comprehensive plan. (Ord. 1555 § 27, 2009).

The expansion of the proposed use will fit into the existing neighborhood as noted above and is consistent with the Oak Harbor Comprehensive Plan Goals and Policies below.

Goal 1 – Promote a healthy mix of uses:

This use is well integrated into an existing mixed-use neighborhood and provides a needed service in the area.

Goal 2 – Encourage land use patterns that promote health and safety:

This use provides a service in close proximity to where many people live.

Result of Conditional Use Permit Approval

If the Conditional Use Permit is approved, the applicant may move forward with any permitting necessary to construct interior improvements and exterior changes to meet the standards for day care uses per State standards.

Conclusion

Staff has reviewed the application against the Conditional Use Permit standards and has determined that the application meets the specific criteria of OHMC 19.67 and that the impacts of the use will either be minimal or easily mitigated.

SEPA

No SEPA review is required for this application.

LEGAL NOTICE

A Notice of Application and notice to neighboring property owners were mailed and posted on November 22, 2024 and advertised on November 23, 2024. The Notice of Public Hearing for the Conditional Use Permit was mailed and posted on January 10, 2025 and advertised on January 11, 2025. See Exhibit 4.

PUBLIC COMMENTS

The city received one public comment on this application. See Exhibit 5.

RECOMMENDED ACTION

Staff recommends that the Hearing Examiner conduct the public hearing and approve this Conditional Use application for a child day care center, subject to the following conditions of approval:

1. The child day care center be limited to 13 children based on the size of the outdoor play area, unless the standards by which the formula for square footage is changed by OHMC or State requirements, in which case the applicant shall notify city staff of any expansion to the facility.
2. That all requirements for building and fire codes be met for the building prior to occupancy.
3. That all State licensing requirements be met prior to commencement of the day care facility.
4. The conditional use permit applies only to the property for which the application is made.

Proposed Conditional Use Plan for Grass Area Project

Title:

Bright Haven Childcare Center Outdoor Play Area

Location: Assessor Parcel Number S6565-00-00C01-0 and S6565-00-00C02-0
Oak Harbor, WA

Applicant: Patrick & Glaiza Price

Bright Haven Child Care Center

Project Description:

Bright Haven Child Care Center seeks approval for the conditional use of a grass area located on the property to serve as an outdoor play area for children enrolled at the center. The proposed outdoor play area is approximately 1,250 square feet and will accommodate a maximum of 13 children at one time. We plan to schedule play sessions to ensure that the number of children using the space at any given time remains in compliance with state and local regulations.

The outdoor play area will meet the requirements outlined in OHMC 19.08.676 and WAC 110-300-0145. The grass area will be enclosed with appropriate fencing to ensure the safety of the children, including an entry gate and an exit gate to allow for secure access and emergency egress. The ground covering will consist of wood chips to provide a soft, safe surface for children during playtime. All activities within the space will be supervised by qualified childcare staff. No permanent structures will be installed within the grass area, and the space will remain a natural, open area for play and physical activities.

Use of Space:

The outdoor play area will be used for scheduled outdoor activities, including but not limited to free play, physical education, and group games, for children between the ages of 6 months and 6 years old. The number of children present in the play area will not exceed the square footage requirements set forth by state and local codes.

Safety and Accessibility:

The outdoor play area will be enclosed with fencing that meets local safety standards and will include an entry gate and an exit gate for secure access and egress. The ground covering will be made of wood chips, ensuring a soft and safe surface for the children. Additionally, the space will include clear pathways and entrances that comply with accessibility guidelines to ensure that all children and staff members can safely access the area.

Hours of Operation:

The outdoor play area will be used during the center's normal operating hours, Monday through Friday, from 7:00 a.m. to 5:00 p.m. Play sessions will be staggered to accommodate the number of children while remaining compliant with the square footage requirement.

Maintenance Plan:

The grass area will be maintained by the childcare center to ensure it remains safe, clean, and free of hazards. Regular inspections will be conducted to remove debris and ensure the ground covering is properly maintained for safe play. The wood chips will be replenished as needed to maintain a safe, cushioned surface.

Legal Description Conditional Use Permit Application

Parcel 1:

- Parcel Number: S6565-00-00C01-0**
- Zoning District: CBD (Central Business District)**
- Description: This parcel is located within the City of Oak Harbor, Washington. The property is located adjacent to the Bright Haven Child Care Center, which will utilize this area for outdoor play space in compliance with state and local regulations.**

Parcel 2:

- Parcel Number: S6565-00-00C02-0**
- Zoning District: CBD (Central Business District)**
- Description: This parcel is also located within the City of Oak Harbor, Washington, and is part of the same subdivision as Parcel 1. This parcel, in conjunction with Parcel 1, will provide additional space necessary to meet outdoor space requirements for the childcare center.**

Overall Description:

The combined parcels will be used to create an outdoor play area of 1,250 square feet. This space will be enclosed by a five-foot black privacy fence, equipped with self-latching

locks for security, and covered with 4 inches of cedar wood chips for safety. No plants will be included in the outdoor area.

Bright Haven Child Care Center vehicle drop off and pick up

We plan either on street parking on Bayshore or Pioneer Way for drop offs and pickups or staggered drop off/ pick ups via time slots. Expected drop off and pick up will take less than 5 minutes. No early drop offs will be allowed.

AGREEMENT FOR USE OF PROPERTY

This Agreement for Use of Property ("Agreement") is made and entered into on this June 24 2024, by and between Bill McKnight ("Property Owner") and Glaiza Price, director of Bright Haven Child Care Center (Child Care Center)

Recitals

WHEREAS, the Property Owner owns the property located at APN# S6565-00-00C01-0 & S6565-00-00C02-0 *Grass lot behind 861 SE Pioneer Way, Oak Harbor, WA ("Property"); and

WHEREAS, the Child Care Center operates at 890 Bayshore Drive, Oak Harbor, WA; and

WHEREAS, the Property Owner agrees to grant the Child Care Center the right to use a portion of the grass lot behind the Property for the purpose of creating an outdoor play area for the Child Care Center, subject to the terms and conditions set forth below.

Agreement

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, the parties agree as follows:

1. Grant of Use:

The Property Owner grants the Child Care Center the right to use the grass lot behind 861 SW Pioneer Way, Oak Harbor, WA ("Designated Area") for as long as the Childcare Center remains in operation at 890 Bayshore Drive, Oak Harbor, WA.

2. Modifications:

The Childcare Center is permitted to:

- a. Erect a 4-foot fence to enclose the Designated Area.
- b. Modify the ground coverage within the Designated Area to include half wood chips and half astroturf or sufficient coverings.

3. Maintenance:

The Childcare Center shall be responsible for maintaining the Designated Area, including the fence and ground coverage, in a safe and clean condition.

4. Liability:

The Childcare Center agrees to indemnify and hold the Property Owner harmless from any claims, liabilities, damages, or expenses arising out of the use of the designated area by the Child Care Center, its employees, agents, or invitees.

5. Term and Termination

This Agreement shall remain in effect for as long as the Child Care Center operates at 890 Bayshore Drive, Oak Harbor, WA.

6. Entire Agreement:

This Agreement constitutes the entire agreement between the parties regarding the use of the Designated Area and supersedes any prior agreements or understandings, whether written or oral.

7. Amendments:

Any amendments or modifications to this Agreement must be in writing and signed by both parties.

8. Governing Law:

This Agreement shall be governed by and construed in accordance with the laws of the State of Washington.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

**NOTICE TO ADJACENT PROPERTY OWNERS OF PUBLIC HEARING
OAK HARBOR HEARING EXAMINER**

You are receiving this notice because you own property within 300 feet of Parcel S6565-00-00C01-0.

Notice is hereby given that the following public hearing will be held before the City of Oak Harbor Hearing Examiner in the Council Chambers at City Hall on Monday, January 27, 2025 at 2:00 PM. This will be both a physical meeting location and a virtual meeting. The hearing examiner, staff, and the public may attend virtually or in-person at City Hall, Council Chambers. The hearing may be viewed live via YouTube at www.youtube.com/cityofoakharbor. The hearing examiner will consider the following items:

Conditional Use: Parcel S6565-00-00C01-0 Bright Haven Child Care Center (2409-0055):

The applicant is proposing to operate a private day care facility in an existing commercial space with an outdoor play area on adjacent parcels at 890 SE Bayshore Drive and 861 SE Pioneer Way respectively.

Conditional Use: Parcel S6575-01-0000B-1 (31650 SR 20) Connection Christian Center (2410-0060):

The applicant is proposing to use an existing commercial building space as a church.

Anyone wishing to comment on the above item or provide other relevant information may appear in person before the Hearing Examiner at the time and place of said public hearing. Information on how to provide public comments virtually will be provided on the hearing agenda. After obtaining public input and considering the matter, the Hearing Examiner may approve or deny the proposed application. As part of any approval, conditions or limitations may be imposed.

The associated applications are available for review at the City of Oak Harbor Development Services Department at City Hall, 865 SE Barrington Drive. For more information, please contact the Permit Coordinator in the Development Services Department at 360-279-4510.

RE: Application for Conditional Use 2409-0055

A child care playground will impact our property.

The fence that separates our parking from the grass area protects the vehicles. Will a new fence be built that places more distance from the fence on our property to the fence on the grass area?

Will the fence create a barrier so that the children will not be able to damage the vehicles with toys or other implements?

The ground cover of cedar chips could blow into our parking lot to create a hazard for people walking to the vehicles. Will the chips be large enough not to blow in the high winds?

Some playgrounds no longer use wood chips because of splinters that can cause injuries to children's bodies and eyes.

The bedrooms located in the condominium are facing the playground.

How much noise will the playground create? What will be the hours of the child care facility?

There is minimum parking located adjacent to the facility. Children will have to walk in the parking lot to access the playground.

Serendipity Lane is adjacent to the playground. Will the gates be locked so that other children will not be able to play in the facility?

How will the storage units be affected?

What are the legal implications if a child is injured on the fence that is condominium property?

Kay Hackbarth

President

Please send the decision on proposal 2409-0055 to
klhack2@comcast.net

Exhibit 1
Connection Christian Center
Conditional Use Permit
Case No. 2410-0060
Staff Report to Hearing Examiner

APPLICATION:

Applicant requests a Conditional Use permit for the use of an existing commercial space for a church congregation meeting space. The proposed site is located in the C-3 Community Commercial zone district, which requires a conditional use permit for a church use per OHMC Section 19.20.1050.

PRELIMINARY INFORMATION:

Applicant: Joshua Keck, 31640 SR 20, Unit 1, Oak Harbor, WA 98277

Property Owner: WAD Investments, PO Box 1512, Oak Harbor, WA 98277

Address of proposal: 31640 SR 20, Unit 1, Oak Harbor, WA 98277

Parcel Number(s): S6575-01-0000B-1

Comprehensive Plan Designation: High Intensity Commercial

Zoning Designation: C-3, Community Commercial

Application Presented for Action:

Conditional Use Application - Review Process III

Attachments:

Exhibit 2 Application materials
Exhibit 3 Zoning and Vicinity map
Exhibit 4 Public Noticing Documents

SITE GEOGRAPHY

The project site consists of existing commercial site within a larger highway commercial strip. The proposed church is located at the rear of a multi-tenant commercial plaza consisting of three buildings and shared parking and driveway access. The site is generally flat and does not include any sensitive areas. Land uses abutting the site include the following:

	Existing Land Use	Zoning
North:	Retail commercial	C-3
South:	Retail commercial	C-3
East:	Commercial storage lot	C-3
West:	Retail shopping center	C-3

BACKGROUND and PROJECT DESCRIPTION:

The proposed church is located within an existing commercial space at the rear portion of a multi-

tenant building. Overall, the tenant space is approximately 2968 square feet over two floors. Much of the upstairs area is attic storage and office space. The first floor is proposed to be remodeled to accommodate the congregation, which will be up to 80 people per the applicant's request.

Square footage requirements, building capacity and fire code standards will be addressed through the building permit process.

Parking for the commercial building is provided in a shared parking lot on the site. The parking is split between three buildings, including a seafood restaurant and office spaces. The usage of the parking lot should be varied enough to accommodate the proposed use along with the other existing uses.

No changes to the exterior of the building is proposed, including any landscaping or site changes.

Conditional Use Permit Application

The subject parcel is currently zoned C-3. Per OHMC 19.20.1050, "Churches, rectories, convents or similar" are listed as a "Conditional Use."

Following OHMC 18.20.250(2)(b), the review of applications for conditional uses are Review Process III actions. Such actions are subject to an open record public hearing before the Oak Harbor Hearing Examiner, concluded with a final decision by the Examiner.

Conditional Use Review

According to OHMC 19.67.030, "*No conditional use shall be granted unless it meets the following criteria:*"

(1) All special conditions for the particular use are met;

The applicant is seeking the approval of a Conditional Use permit to allow for a church to be located in an existing commercial building. If the application is approved, an interior remodel would commence to create an appropriate space for congregants to gather for church services. The application states that primary activities in the space would be on Wednesday evenings and Sunday mornings. These hours will be included as conditions of approval to ensure that excessive parking usage would not impact neighboring parcels or businesses.

(2) It does not have a significant, adverse environmental impact resulting in excessive noise, light and glare or soil erosion on adjacent property;

Physical changes to the site will be limited to interior construction. No exterior changes are proposed and therefore should not create any undue impacts.

(3) It is provided with adequate parking;

The use will be required to comply with the standards of OHMC 19.44. Per the minimum standards listed in OHMC 19.44.100, churches are required to have a minimum of one parking space per four seats and/or one per 30 square feet of assembly space without fixed seats. The applicant has shown parking served in an existing paved parking lot shared with other uses in the center.

At a ratio of one parking space per 4 seats, 20 parking spaces will be required as a minimum. 35 parking spaces are shown on an aerial photo submitted by the applicant. This should be sufficient for the use on the days proposed for the church services.

The aerial photo also shows overflow parking in an adjacent unpaved lot – this area is not permitted as parking for this or any other use permitted by the city as it does not meet the standards for parking in the city. If the parking provided in the paved lot on site, then the use will need to determine appropriate options that meet the standards of the OHMC.

(4) It is served with adequate public streets, public utilities and facilities;

Public utilities are available to serve the site and vehicular access is provided from SR 20 to the west of the property.

(5) It otherwise meets the purpose of the district in which it is to be placed;

The conditional use will be compatible with the surrounding commercial environment, with hours being opposite those of the nearby businesses. The use is located on a state highway with many accessible routes beyond that and will not adversely impact adjacent properties with conformity to the OHMC.

(6) It meets the goals and policies of the Oak Harbor comprehensive plan. (Ord. 1555 § 27, 2009).

The expansion of the proposed use will fit into the existing neighborhood as noted above and is consistent with the Oak Harbor Comprehensive Plan Goals and Policies below.

Goal 1 – Promote a healthy mix of uses:

This use is integrated into an area which typically included commercial uses in the immediate vicinity and residential uses nearby.

Goal 2 – Encourage land use patterns that promote health and safety:

This use provides a service in close proximity to where many people live.

Result of Conditional Use Permit Approval

If the Conditional Use Permit is approved, the applicant may apply for and receive building permits to remodel the interior space to fit the needs of the church. All construction is required to meet the applicable building and fire codes and will be reviewed and addressed through that process.

Conclusion

Staff has reviewed the application against the Conditional Use Permit standards and has determined that the application meets the specific criteria of OHMC 19.67 and that the overall proposed remodel design and occupant load can be accommodated by the site. The applicant will be expected to seek approval of a building permit following the approval of the Conditional Use.

SEPA

No SEPA review is required for this application.

LEGAL NOTICE

A Notice of Application and notice to neighboring property owners were mailed and posted on

December 6, 2024 and advertised on December 7, 2024. The Notice of Public Hearing for the Conditional Use Permit was mailed and posted on January 10, 2025 advertised on January 11, 2025.

PUBLIC COMMENTS

The city received no public comment on this application.

RECOMMENDED ACTION

Staff recommends that the Hearing Examiner conduct the public hearing and approve this Conditional Use application for a church as outlined in the application, subject to the following conditions of approval:

1. The attendance for church services be limited to 80 people.
2. Use of the site for church services be limited to Wednesday evenings and Sundays only. Additional use of the space for small groups and office hours should be limited to not create parking impacts for businesses on the same site who operate during the weekday daytime hours.
3. Parking for the church is limited to the paved parking areas on site, or public parking on paved surfaces with the consent of the property owner. No parking is allowed on dirt, gravel or similar non-improved lots.
4. That any future development on the site comply with the applicable standards of the OHMC, including OHMC 19.08.676.
5. That all requirements for building and fire codes be met for the building prior to occupancy.
6. The conditional use permit applies only to the property for which the application is made.

Connection Christian Center is an extension of Freedom Outreach International (FOI), formerly known as Ministry to the Military (MTTM). FOI is a missional branch of the Church of God Cleveland, TN specifically formed to provide services in military areas. Their slogan, "Connecting military, veterans, and their communities with a missional Christian family," attests to the reason why we originally opened a center in Oak Harbor.

Initially, FOI started by establishing centers outside of U.S. military bases overseas. Over the past decade, FOI recognized the need for men, women, and children to have a homestyle center stateside that can become a place to praise God away from their home of residence. The need for our center has been represented in both attendance and the success of our outreach events. One specifically has been a Thanksgiving event, where we have fed over 1300 military and their families in the past three Thanksgivings.

We currently meet in the building located with Seabolt's seafood. We have around 25 adults, with their 15 children attend every Sunday 10 am and/or Wednesday 6pm. This brings our current attendance to at most 40 people during normal attendance hours. We would like to do a modification to the building allowing for double the normal attendance, up to 80 people. Parking for these times do not conflict with the hours of Seabolt's and we are allowed to use the parking located in the field behind the building (see map attachment).

GENERAL NOTES:
THE BUILDER IS RESPONSIBLE FOR USING SAFE WORK PRACTICES AND CONFORMING TO ALL SAFETY ORDINANCES. THE BUILDER IS TO VERIFY ALL DIMENSIONS PRIOR TO STARTING WORK. ANY CHANGES TO STRUCTURE MUST BE REVIEWED AND APPROVED BY OMEGA BUILDERS, LLC. ALL METHODS, MATERIALS, AND WORKMANSHIP SHALL BE IN ACCORDANCE WITH THE INTERNATIONAL RESIDENTIAL CODE (IRC) 2021 EDITION.

DESIGN LOADS:
ROOF LOAD: SNOW 25 PSF, DEAD 15 PSF
FLOOR LOADS: LIVE 40 PSF, DEAD 15 PSF
WIND SPEED: VS 3-SEC= 91 MPH, IIX=1.0, EXPOSURE "D", RISK: II
SEISMIC: DESIGN CATEGORY "D2", SS= 1.267, SIU+2081= 0.50,
IE=1.0, SITE CLASS "D", R= 6.5

SOILS:
SOIL BEARING OF 1000 PSF IS ASSUMED. IT IS THE CONTRACTORS RESPONSIBILITY TO VERIFY THAT THE SITE SOILS PROVIDE THIS MINIMUM BEARING CAPACITY. FROST DEPTH: 12"

FOUNDATIONS:
EXTERIOR FOOTINGS TO BE A MINIMUM OF 12" BELOW FINISHED GRADE BEARING ON NATIVE UNDISTURBED SOIL. BACK FILL WITH APPROVED FILL MATERIAL. BACKFILL BEHIND A RETAINING WALL A MINIMUM OF 6" WITH A GRAVEL OR WELL DRAINING SOIL. STRUCTURAL FILL UNDER FOOTINGS AND SLABS TO BE 95% COMPACTED TO A MODIFIED PROCTOR DENSITY (ASTM D1557). ALL CONSTRUCTION ON FILL SOIL SHALL BE APPROVED BY A REGISTERED PROFESSIONAL GEOTECHNICAL ENGINEER.

REINFORCING STEEL:
ALL REINFORCING STEEL TO BE GRADE 60 PER ASTM A-615. LAP ALL SPLICES A MINIMUM OF 32 BAR DIAMETERS OR 18". LAP HORIZONTAL STEEL AT CORNERS AND INTERSECTIONS IN FOOTING AND WALLS WITH CORNER BARS. MINIMUM CONCRETE COVER FOR REINFORCING STEEL:
INTERIOR FACES OF SLAB AND WALL BARS 1-1/2"
EXPOSED TO WEATHER OR EARTH 1-1/2" FOR #5 AND SMALLER AND 2" FOR #6 AND LARGER.
FOOTING BARS CAST AGAINST EARTH REQUIRE 3" COVER.

CONCRETE:
ALL CONCRETE MATERIALS AND PLACEMENT SHALL CONFORM TO THE IBC 2015. MIN. COMPRESSIVE STRENGTH SHALL BE 3000 PSI* AT 28 DATES WITH A MIN. WATER/CEMENT RATIO OF .45. ALL CONCRETE SHALL BE AIR ENTRAINED 5 +/-1%. MAX AGGREGATE SIZE = 1/8".
*SPECIAL INSPECTION NOT REQUIRED. 3000 PSI COMPRESSIVE STRENGTH IS SPECIFIED FOR WEATHERING PROTECTION. STRUCTURAL DESIGN OF CONCRETE BASED ON 2500 PSI COMPRESSIVE STRENGTH.

FLOORING AND ROOFING:
PLYWOOD SUB FLOORING SHALL BE 3/4" T&G CDX OR OSB (GLUED AND NAILED). NAILING SHALL BE 10D @ 6" O.C. ALONG PANEL EDGES, AND 12" O.C. IN FIELD (U.N.O) SPAN INDEX SHALL BE 48/24. STAGGER END LAPS. ROOF SHEATHING SHALL BE 1/2" CDX OR 7/16" OSB NAILED W/8D @ 6" O.C. ALONG PANEL EDGES, AND 12" O.C. IN FIELD. SPAN INDEX SHALL BE 24/0. STAGGER END LAPS.

FLOOR FRAMING:
USE DOUBLE JOISTS UNDER ALL PARALLEL PARTITIONS THAT EXTEND MORE THAN 1/2 THE LENGTH AROUND OPENINGS. PREFABRICATED FLOORING MATERIALS BY OTHERS.

TYPICAL BUILT UP COLUMN:
ALL COLUMNS NOT SPECIFIED OR OTHERWISE NOTED ON THE PLAN ARE TO BE LAMINATED TOGETHER PER DETAIL 30/SD-1. ALL COLUMNS SUPPORTING GIRDER TRUSSES OR GLUE LAMINATED BEAMS ARE TO BE THREE STUDS MINIMUM WHICH ARE LAMINATED TOGETHER. SOLID SAWN COLUMNS MAY BE SUBSTITUTED IN LIEU OF BUILT UP COLUMNS BY PROVIDING AN EQUIVALENT CROSS SECTIONAL AREA.

TYPICAL WALL NOTES:
STUD FRAMING SHALL BE HEM-FLR U.N.O. WHERE ANCHOR BOLTS ARE USED, THEY SHALL BE 1/2" AND NO MORE THAN 12" APART EMBEDDED AT LEAST 7". THERE SHALL BE A MINIMUM OF 2 SILL ANCHORS PER PIECE (SILL PLATE), WITH 1 LOCATED WITHIN 12" OF EACH END OF EACH PIECE. ANCHOR BOLT WASHERS SHALL BE 3"x3"x0/229" SQUARE AND TIGHTENED TO THE PLATE. HOLDOWNS AND FASTENERS SHALL BE SIMPSON U.N.O. INSTALL PER MANUFACTURER'S INSTRUCTIONS. ALL BEARING WALLS OVER 10' SHALL BE Laterally Braced At 4' O.C.

HEADERS
ALL HEADERS NOT SPECIFIED OR OTHERWISE NOTED ON THE PLAN ARE TO BE 4X8 DF#2 OR (2) 2X10 HF #2 WITH AT LEAST ON CRIPPLE AND ONE STUD FOR EACH END FOR OPENINGS U+22645'-0" WIDE AND TWO CRIPPLES AND ONE KING STUD FOR ALL OTHERS.

POST-BEAM CONNECTIONS
POSITIVE CONNECTIONS SHALL BE PROVIDED AT POST-BEAM CONNECTIONS TO ENSURE AGAINST UPLIFT AND LATERAL DISPLACEMENT. ANCHORAGE OF WALLS AND COLUMNS TO FOUNDATIONS SHALL BE PROVIDED IN ACCORDANCE WITH PLANS AND SHEAR WALL SCHED.

GLUED LAMINATED BEAMS (GLB):
1 SPACE GLUE LAMB BEAMS ARE TO BE MANUFACTURED, TRANSPORTED AND INSTALLED IN ACCORDANCE WITH THE REQUIREMENTS OF THE AITC.
2 SPECIFY INDUSTRIAL GRADE FINISH AND EXTERIOR ADHESIVE UNLESS NOTED OTHERWISE
3 MINIMUM DESIGN VALUES:
A. 24F-V4: FB = 2,400 PSI; FV = 265 PSI; FC = 650 PSI; E = 1,800 KSI.
4. SOLID SAWN LUMBER:
A. STRUCTURAL LUMBER SHALL BE DOUGLAS FIR OR HEM FIR CONFORMING TO NWP A GRADING RULES.
B. MINIMUM GRADES ARE, EXCEPT AS NOTED OTHERWISE:
I. STRUCTURAL JOISTS AND PLANKS- #2
II. BEAMS AND STRINGERS - #1
III. POSTS AND TIMBERS- #1
5. DOUBLE JOISTS BENEATH ALL PARALLEL WALLS AND OR PARTITIONS.
6. NOTCHING IS NOT PERMITTED IN JOISTS, RAFTERS, BEAMS, LINTELS, COLUMNS, TRUSSES, AND BRACING MEMBERS.
7. PRESSURE TREATED LUMBER SHALL CONFORM TO THE ANPA AND SHALL BEAR THE QUALITY MARK OF AN ACCREDITED ALSO INSPECTION AGENCY. MINIMUM TREATING STANDARDS (RETENTION LB/CUBIC FEET) SHALL BE AS FOLLOW
S:
A. APPLICATION ACQ/ ACZACA-B
B. ABOVE GROUND 0.250.10
C. GROUND CONTACT 0.400.21
D. FRESH WATER IMMERSION 0.400.21
E. IN GROUND (STRUCTURAL) 0.600.31
F. SILL PLATES 0.250.10

8. ALL LUMBER IN CONTACT WITH CONCRETE SHALL BE PRESSURE TREATED WITH ACZA TO A MINIMUM RETENTION OF 0.25 POUNDS PER CUBIC FOOT BY ASSAY
9. NAILING SHALL BE IN CONFORMANCE WITH THE 2021 IBC WITH WASHINGTON AMENDMENTS UNLESS NOTED OTHERWISE. FASTENERS FOR PRESERVATIVE TREATED WOOD SHALL BE OF HOT DIPPED ZINC COATED GALVANIZED STEEL, STAINLESS STEEL, SILICONE BRONZE, OR COPPER. THE COATING WEIGHTS FOR ZINC COATED FASTENERS SHALL BE IN ACCORDANCE WITH ASTM A-153.
PREFABRICATED CONNECTION HARDWARE:
1 CONNECTION HARDWARE IS BY THE SIMPSON COMPANY OF SAN LEANDRO, CA. ALL STEEL CONNECTORS SHALL BE GALVANIZED OR BY SOME METHOD MADE CORROSION RESISTANT, UNLESS OTHERWISE INDICATED.
2 PROVIDE BOLTED OR NAILED CONNECTIONS FOR THE MAXIMUM CAPACITY UNLESS NOTED OTHERWISE.
3 CONNECTORS IN CONTACT WITH PRESSURE TREATED WOOD SHALL BE EITHER POST HOT DIPPED GALVANIZED OR STAINLESS STEEL. FASTENERS SHALL BE OF THE SAME MATERIAL OR PROTECTIVE COATING AS THE CONNECTORS, DO NOT MIX DIFFERING METALS IN THE SAME CONNECTION.
4 ALL HARDWARE SHALL BE INSTALLED PER THE MANUFACTURER'S INSTRUCTIONS AND RECOMMENDATIONS UNLESS NOTED OTHERWISE.

PREFABRICATED JOISTS AND ROOF TRUSSES:
PREFABRICATED JOISTS AND ROOF TRUSSES ARE DEFERRED SUBMITTAL ITEMS AND ARE TO BE DESIGNED, FABRICATED AND INSTALLED PER THE LATEST TRUSS PLATE INSTITUTE STANDARDS. PRE-FABRICATED ITEMS TO BE DESIGNED BY A LICENSED PROFESSIONAL ENGINEER. FABRICATOR TO PROVIDE ALL CONNECTION DESIGN AND DETAILS. WHERE TRUSSES ARE NOT PROVIDED TO COMPLETE THE ROOF SYSTEM, OVERFRAMING MEMBER AND THEIR CONNECTIONS SHALL BE PROVIDED. OVERFRAMING DETAILS SHALL BE INCLUDED IN THE TRUSS SHOP DRAWINGS IN ORDER TO PROVIDE LOADING CONDITIONS CONSISTENT WITH THE MODELING OF THE TRUSSES. THE OVERFRAMING AND RELATED DETAILS SHALL BE DESIGNED UNDER THE DIRECTION OF THE TRUSS ENGINEER. WHERE TRUSSES ALIGN WITH SHEAR WALLS, A SPECIAL TRUSS SHALL BE PROVIDED THAT HAS BEEN DESIGNED TO TRANSFER THE SPECIFIC WIND AND SEISMIC LOADS SHOWN ON THE PLANS. THE TRUSS SHALL BE DESIGNED TO TRANSFER THE LOAD BETWEEN THE ROOF SHEATHING AND THE SHEAR WALL BELOW. THE TRUSS SHALL BE DESIGNED TO TRANSFER A MINIMUM OF 100 PLF ALONG THE LENGTH OF THE TRUSS. ALL TEMPORARY AND PERMANENT BRACING REQUIRED FOR THE STABILITY OF THE TRUSS ELEMENTS UNDER GRAVITY LOADS AND IN-PLANE WIND OR SEISMIC LOADS SHALL BE DESIGNED BY THE TRUSS ENGINEER WHERE THE TOP CHORD IS NOT DIRECTLY ATTACHED TO THE ROOF SHEATHING. THE TRUSS ENGINEER SHALL DESIGN AND SHOW THE PLACEMENT OF ALL REQUIRED TOP CHORD BRACING AND CONNECTIONS ON THE TRUSS SHOP DRAWINGS. ANY BRACING LOADS TRANSFERRED TO THE MAIN BUILDING SYSTEM SHALL BE IDENTIFIED AND SUBMITTED TO THE ENGINEER OF RECORD FOR REVIEW. DESIGN CALCULATIONS AND SHOW DRAWINGS SHALL BE SUBMITTED FOR REVIEW BY THE ENGINEER OF RECORD PRIOR TO SUBMITTING TO THE BUILDING OFFICIAL FOR APPROVAL.

P.T. WOOD CONNECTORS
IN ACCORDANCE WITH IBC 2304.10.5.1 ALL METAL CONNECTORS COMING IN CONTACT WITH P.T. WOOD SHALL BE SIMPSON "Z-MAX", TRIPLE ZINC COATED, OR HOT DIPPED GALVANIZED FOR CORROSION RESISTANCE.

ANCHORAGE
ALL ANCHOR BOLTS EMBEDDED IN CONCRETE OR MASONRY SHALL BE A307 UNO. POST INSTALLED BOLTS INTO CONCRETE NOT OTHERWISE SPECIFIED SHALL BE SIMPSON TITEN-HD ANCHORS. INSTALL IN ACCORDANCE WITH ICC ESR-2713, INCLUDING MINIMUM EMBEDMENT DEPTH REQUIREMENTS.
POST-INSTALLED ADHESIVE ANCHORS SPECIFIED ON THE DRAWINGS SHALL BE GROUTED WITH SIMPSON AT-XP ADHESIVE. INSTALL IN ACCORDANCE WITH IAPMO UES ER-263.

ADDED NOTES
1. PER SECTION R302.9, MAX. 200 FLAME-SPREAD CLASSIFICATION FOR WALL & CEILING FINISHES. MAX. 450 SMOKE-DEVELOPED INDEX FOR TRIMS, HANDRAILS, DOOR & WINDOW FRAMES & WALLPAPER.
2. PLEASE ADD THE FOLLOWING NOTE ON THE SHEAR WALL PLAN: THE ELECTRICAL PANEL MAY NOT BE LOCATED WITHIN A SHEAR WALL.
3. PER 302.11 FIREBLOCKING. IN CONCEALED SPACES OF STUD WALLS & PARTITIONS AS FOLLOWS:
1. VERTICALLY AT CEILING AND WALLS
2. HORIZONTALLY AT MAX. 10' INTERVALS
3. ALL INTERCONNECTIONS SUCH AS SOFFITS, DROP CEILINGS, COVE CEILINGS.
4. IN CONCEALED SPACES BETWEEN STAIR STRINGERS AT TOP & BOTTOM OF RUN
5. OPENINGS AROUND VENTS/PIPES/DUCTS AT FLOOR & CEILING LEVELS4. PER SECTION M1307.3.1
APPLIANCES LOCATED IN GARAGE/CARPORT OR ANY AREA SUBJECT TO VEHICLE DAMAGE SHALL BE PROTECTED BY BARRIERS DESIGNED TO WITHSTAND 6,000 LB. FORCE. APPLIANCES WITH AN IGNITION SOURCE SHALL BE ELEVATED TO NO LESS THAN 18" ABOVE FLOOR IN GARAGE OR ANY ROOM THAT OPENS TO THE GARAGE. APPLIANCES DESIGNED TO BE FIXED SHALL BE ANCHORED/STRAPPED TO AVOID HORIZONTAL DISPLACEMENT. WATER HEATERS SHALL BE ANCHORED/STRAPPED WITHIN THE UPPER 1/3 AND LOWER 1/3 OF THE UNIT TO RESIST HORIZONTAL DISPLACEMENT. CORROSION RESISTANT WATER TIGHT PAN SHALL BE INSTALLED BENEATH WATER HEATER. DISCHARGE PIPE SHALL DISCHARGE TO OUTSIDE, END OF PIPE SHALL BE NO MORE THAN 2' FROM GROUND AND NO LESS THAN 6" ABOVE GROUND.DISCHARGE SHALL NOT BE TRAPPED. TERMINAL END OF PIPE SHALL NOT BE THREADED.
5. WSEC 403.5.5 ELECTRIC HW HEATERS SHALL BE PLACED ON R-10 PAD IF IN UNHEATED SPACE OR ON CONCRETE FLOOR.
6. M2003.1 THERMAL EXPANSION (COMPRESSION) TANKS ARE REQUIRED TO BE INSTALLED ON WATER HEATERS.
7. IGNITION SOURCES FOR APPLIANCES WITHIN GARAGE, ADJACENT SPACES THA OPEN TO GARAGE & ARE NOT PART OF LIVING SPACE, SHALL BE RAISED TO 18" ABOVE FLOOR LEVEL (UNLESS LISTED AS A FLAMMABLE VAPOR IGNITION SYSTEM).
8. UPC602.3 POTABLE WATER OUTLETS WITH HOSE ATTACHMENTS SHALL BE PROTECTED BY A LISTED NON-REMOVABLE HOSE-BIB TYPE BACKFLOW PREVENTER OR ATMOSPHERIC VACUUM BREAKER. (EXCEPT WATER HEATER DRAINS AND CLOTHES WASHER HOSES).

**NOTICE TO ADJACENT PROPERTY OWNERS OF PUBLIC HEARING
OAK HARBOR HEARING EXAMINER**

You are receiving this notice because you own property within 300 feet of Parcel S6575-01-0000B-1.

Notice is hereby given that the following public hearing will be held before the City of Oak Harbor Hearing Examiner in the Council Chambers at City Hall on Monday, January 27, 2025 at 2:00 PM. This will be both a physical meeting location and a virtual meeting. The hearing examiner, staff, and the public may attend virtually or in-person at City Hall, Council Chambers. The hearing may be viewed live via YouTube at www.youtube.com/cityofoakharbor. The hearing examiner will consider the following items:

Conditional Use: Parcel S6565-00-00C01-0 Bright Haven Child Care Center (2409-0055):

The applicant is proposing to operate a private day care facility in an existing commercial space with an outdoor play area on adjacent parcels at 890 SE Bayshore Drive and 861 SE Pioneer Way respectively.

Conditional Use: Parcel S6575-01-0000B-1 (31650 SR 20) Connection Christian Center (2410-0060):

The applicant is proposing to use an existing commercial building space as a church.

Anyone wishing to comment on the above item or provide other relevant information may appear in person before the Hearing Examiner at the time and place of said public hearing. Information on how to provide public comments virtually will be provided on the hearing agenda. After obtaining public input and considering the matter, the Hearing Examiner may approve or deny the proposed application. As part of any approval, conditions or limitations may be imposed.

The associated applications are available for review at the City of Oak Harbor Development Services Department at City Hall, 865 SE Barrington Drive. For more information, please contact the Permit Coordinator in the Development Services Department at 360-279-4510.
