All contractors doing business within the City must have a current (annual) City of Oak Harbor Business License (obtained at City Hall).

You will need to complete the Fill Meter Consumption Log (at hydrant), indicating the water use and location (inside or outside City limits) where the water will be used, and record the water meter readings before and after the truck is filled.

Water consumption charges (100 cubic feet = 748 gallons):

- INSIDE City limits = \$2.85 (0-300 cf), \$4.30 (400-600 cf), \$6.75 (700 cf up)
  - **OUTSIDE City limits = \$4.28 (0-300 cf)**, \$6.45 (400-600 cf), \$10.13 (700 cf up)
- (Water consumption is billed at residential rates in order to utilize flat rate configuration.)*
