

OAK HARBOR MARINA

HARBORMASTER, CHRIS SUBLET

Our Harbormaster for the last 17 years has retired from the marina. Chris moved to Arizona with his wife, Simone, to be closer to their daughter. Chris has done so many amazing things for the marina. He has improved the marina so much since he became Harbormaster.

- Lead the dredge project in 2011
- Added security gates on the docks and coded locks on the restrooms and main gate
- Brought the Salmon Rearing Program back to the marina
- Installed cameras to offer premier customer service and security.
- Transitioned a portion of F dock to permanent moorage
- Upgraded our contract agreements
- Helped leap the marina to the digital age with Dockwa.

His wealth of marina knowledge will sorely be missed.

As one door closes, another one opens to the sunshine of Arizona! And the marina door has opened up for Alyce Henry as our interim Harbormaster. We are excited for her and know she will do great things while in this position.

LIVEBOARD - VESSEL SEAWORTHY/OPERATIONAL DEMONSTRATION

Just a reminder, as per the Liveboard Agreement, all Liveboards must complete a vessel seaworthy/operational demonstration in March and August of each year.

Please start preparing your boat and ensuring that it is able to perform the March demonstration.

This demonstration can be completed anytime in March when the marina is open and staffed, with 2 hours' notice to the office. The marina will be open and staffed in March, from 7:00-5:45 Monday- Saturday (closed 12-1 for lunch each day), so please plan accordingly.

You must call the marina office at 360.279.4575 to notify us of your demonstration and please remember to text or email us a selfie with R-2 in the background. oakharbormarina@oakharbor.org

Some of you have asked if marina staff can assist and/or deckhand for you during this demonstration. To make sure that everything is above board and fair, marina staff cannot assist you or deckhand for you during the seaworthy/operational demonstration.

As a reminder ALL vessels in the Oak Harbor Marina must be able to get under way on engine power with 72 hours' notice.

Please contact the office at 360.279.4575 if you have any questions.
