

Special Events Permitting Solid Waste Disposal/Recycling Worksheet

This worksheet is meant to accompany the information in the Special Events Permitting Guide, Section O: Solid Waste Disposal/Recycling. The requirements for your event may be determined to be more or less, depending on the features, at the discretion of the City.

Solid Waste Roll Carts:

The City will supply rolls carts for solid waste disposal to an agreed upon location(s). Cart dispersed during the event must be returned to the delivery location at the conclusion of the event.

- 35-gallon carts (16 per truck load)
- 65-gallon carts (12 per truck load)

Delivery fee \$51.40 per truck load
Disposal fee \$4.68 per full 35-gallon cart
Disposal fee \$7.84 per full 65-gallon cart

Recycling Bins:

The City will supply folding recycling bins and bag liners. Bins will be delivered along with roll carts, but organizer must pick up bags from Public Works Administration prior to the event. When deemed necessary for larger events, a recycling dumpster will be provided.

There is no charge for recycling bins or recycling dumpster.

Small Solid Waste Dumpsters (City supplied, when available):

- 4-yard (\$28.62 setup plus \$128.39 disposal fee)
- 6-yard (\$28.62 setup plus \$164.07 disposal fee)
- 35-yard (\$28.62 setup, \$85.00 transport, plus applicable [Island County disposal](#) fees)
