

DOCUMENT 1

Other Amendments and list of Minor Errors/Corrections 2013 SMP

Note: proposed edits resulting from local plan and development regulation consistency, new or improved information or circumstances, or SMA/DOE rule changes are **NOT** reflected in this list of minor errors/corrections. A number in parenthesis after a listed edit indicates how many edits occur in the text paragraph.

Entire Document: There was a suggestion to include Chapter numbers on each page.

TOC: Chapter 1.F.: minor correction

TOC: Chapter 6.F.: revised to reflect DOE rule changes.

TOC: Chapter 6.J.: revised to reflect DOE rule changes.

TOC: NEW TABLE 4: table created for Key Shoreline Stabilization Measures.

TOC: Exhibit 1: “exhibit” changed to “attachment”.

TOC: Exhibit 2: “exhibit” changed to “attachment”.

TOC: Exhibit 3: “exhibit” changed to “attachment”.

Chapter 1 Introduction

Chapter 7 Definitions

All definitions in Chapter 7 have been reviewed. Proposed revisions are based on review of current RCW's, WAC's, state agency guidance manuals and the Oak Harbor Municipal Code. All proposed revisions are identified in Chapter 7. Each revised definition includes the source documentation from which the new definition is derived. While considered minor errors or corrections, they have not been included in this document to avoid repetition.
